STICKER GUY! makes stickers for independent bands, zines, record labels, businesses, and propagandists. If you are one of these, we would really like to help promote your endeavors and spread your message. Major label bands and other entities owned by or affiliated with multinational corporations should take their business elsewhere.

- 1** Stickers can be ordered in either **A** "Small Quantities" (for smaller budgets) or **B** "Bulk Quantities" (for more ink / stock options and cost-efficiency). We try very hard to accommodate a wide range of needs, so you should have no problem finding a good deal. If you can't find anything that suits your needs on this pricelist, contact us with your custom specifications and we'll give you a quote.

A SMALL QUANTITIES are listed on this pricelist as **B&W** and **R&B** and are available on white vinyl only. We print up to sixteen different orders on one sheet. It takes time to get enough orders to fill up a sheet, so the available colors are restricted in order to keep the turnaround time down to 2-6 weeks. Rush service is not available with Small Quantity orders, sorry. "Ppd." means USPS Priority Mail postage paid in the USA. Contact us or see our website for international postage rates.

B&W means black ink on white vinyl. Reverse-out prints (black background, white type) are available at no extra cost. Order B&W stickers in lots of 250. (IE, If you want 500 4.25" x 2.75", the price is \$68ppd.)

R&B means red and black ink on white vinyl. Order R&B stickers by the 500. (IE, If you want 1500 4.25" x 1.38", the price is \$150ppd.) You can use the colors however you wish (for example, you can have a red background)

B BULK QUANTITIES We offer many options for size, vinyl stock, colors and shape with BULK quantities. Turnaround time is faster with Bulk quantities -- most orders are shipped within 2-3 weeks, though nothing is guaranteed unless rush arrangements are made. (Contact us for rush details). The listed prices are set up to show a range of pricing -- the more stickers you order, the cheaper they become (per sticker). Contact us for quotes on quantities other than what is listed. You may get a split order of a couple of different designs, provided that they use the same ink colors. BULK prices on this sheet do NOT include shipping -- we'll bill you for shipping when we send your order.
